

Faulkner County Solid Waste Management District

2705 Blaney Hill Road

Conway, AR 72032

Phone: (501) 336-0758

Chairman: Faulkner Co. Judge Allen Dodson

Executive Director: Joe Hopper

2025 Business/School Recycling Trailer Consent Form

The Faulkner County Solid Waste Management District is pleased to provide you with complimentary recycling services via an on-site recycling trailer we set and service on an on-call basis for your convenience.

ALL CARDBOARD MUST BE BROKEN DOWN. If not, we will not continue to offer this service to you.

All Recyclables other than cardboard must be bagged and tied in CLEAR or BLUE translucent recyclable bags only to prevent pollution.

In order to provide this free service to _____ Business/School, we are asking and requiring the following support from you:

- Your signature below represents that you agree to post a sign of notice on the trailer that your recycling trailer is **ONLY** for recyclables and **NO TRASH DUMPING** in trailers will be permitted.
- Your signature below represents you agree to enforce no contamination in your recycling trailer. This means if and when trash is found in your trailer, you will be responsible for removing the trash before our staff arrives to pull and empty your trailer. Each time a contaminated trailer is pulled from your facility, you will be responsible for cost of disposal to the Solid Waste District.

We appreciate your help and value the relationship our District has with you.

Sincerely,

Joe Hopper
